Dedicated 3rd-year Computer Science and Engineering student with a strong interest in IT field. Currently seeking an internship opportunity to apply and expand my knowledge. I have foundational skills in Python, HTML, and C programming etc., which I aim to enhance through hands-on experience. Passionate about learning new technologies and staying updated with industry trends. Eager to contribute to a dynamic team where I can grow as a developer. Experienced in problem-solving and eager to tackle real-world challenges. Looking forward to leveraging my technical skills and academic knowledge in a practical setting.
